## Quality Improvement Update

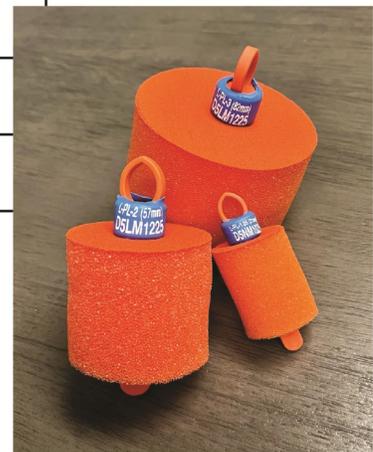

As we continually strive to improve our products and construction methods, we are now able to make small diameter Safe-T-Sponge™ products that meet both nuclear and non-nuclear standards. Therefore, we are unifying the N-PL and PL- sizes 1 through 4 under the L-PL- designation. Please notify any end users that L-PL-1 through 4 are now the new standard part numbers for any N-PL- or PL-1 through 4 that may be in their systems/specifications.

### Original Safe-T-Sponge®

Fossil & Nuclear Compatible: Our Standard Round Plugs for Smaller Cavities

Fossil Compatible	OD Size	Metric	Price/Bag	Availability
LPL-1 (Bag of 25)	1.00"	25mm	\$84	Stock
